Above water heaters have an energy factor of 0.82 or higher.

SOLAR WATER HEATING

At least ½ of the energy generated by the “qualifying property” must come from the sun. Only the portion for potable water heating is eligible. The entire water heating system for the household is not eligible.

BUDERUS

REM Cat #	Mfr Series #	AHRI #
2W632	SKS4.0	SKS4.0-2
2W633	SKS4.0	SKS4.0-3

The above have a thermal efficiency rating of 75% or higher
