

February 28-March 5, 2026

B

ordered by beaches and jungle-covered mountains, Puerto Vallarta's tropical climate produces average year-round temperatures of 83° and 300 sunny days. Perfect tourist weather like this has produced luxury hotels, great dining opportunities and excellent shopping while retaining a charming Mexican village atmosphere. Puerto Vallarta boasts countless small shops as well as art galleries where you can find folk art and fine art, fine jewelry, original clothing designs, and lots more. Hand carved and hand painted fanciful creatures called alebrijes, Talavera ceramics and Mata Ortiz earth-toned pottery are but some of the diverse selection of beautifully made Mexican handicrafts. Even the most inveterate shoppers will be delighted by the opportunities.

G

reat restaurants are everywhere and there is a vibrant nightlife in Puerto Vallarta. From local Mexican kitchens and small, family-owned restaurants to very sophisticated establishments, Puerto Vallarta has the most exceptional dining scene of any resort town in Mexico. There are many open-air restaurants where you can dine al fresco, and just about everywhere the atmosphere is comfortable and welcoming. As evening moves on, more than a hundred places offer live music, vying for the entertainment peso and dollar. From mariachi to merengue, there's something for all ages and tastes. Blues, jazz, rock, salsa and even Peruvian music can be heard in various venues that range from intimate settings to clubs and discos that open late and close at 4 a.m.

Experience unparalleled travels at the Marriott Puerto Vallarta Resort & Spa. It's a prime oceanfront location on Banderas Bay. Snorkel, swim and kayak in the blue waters just steps from the hotel near downtown. The hotel is also within walking distance of Marina Vallarta Golf Club. Whenever you desire a pamper session, Ohtli Spa offers rejuvenating massages and facials. Worked up an appetite? The resort was designed with a foodie in mind. Take your pick of authentic Mexican cuisine, fresh seafood, handcrafted cocktails and more. Encounter a restful stay in the modern rooms and suites featuring luxurious bedding, stunning views and room service. At Marriott Puerto Vallarta Resort & Spa, expect nothing short of an extraordinary stay. Exclusively for R.E. Michel guests at the Marriott Puerto Vallarta Resort will be full American breakfast daily, a private welcome cocktail reception and dinner where you can meet old acquaintances and make new friends, a special farewell party with cocktails, dinner and entertainment, and a 3-hour full open bar each day.

As one would expect of a resort area on the ocean, many activities are water-related including snorkeling, scuba diving, kayaking and beautiful sunset cruises. At Dolphin Adventure you can swim with those sensational marine mammals. On land, there is horse back riding, ATV tours of the rugged Sierra Madre Mountains, and even a canopy tour that lets you zip along a line from platform to platform high above the tropical forest floor. Included in your travel arrangements is your choice of one of several activities that will be offered. Of course, you can choose to stay at the resort, soak up some sun, swim off the nearly 1,000-ft. beach, or relax in one of the pools.

As your hosts for this 6-day, 5-night holiday in Puerto Vallarta, we are dedicated to making this a carefree and enjoyable experience for our valued customers. A full-service, professional travel staff will be available throughout your stay to assist you with tours and activities, reservations and generally to be of help in any way.

Along the Pacific coast of Mexico lies the large, deep water Banderas Bay and Puerto Vallarta, a city that, unlike many of its resort brethren, has maintained its Old Mexico charm. It has been said that no other place in Mexico offers both the best of the country's natural beauty and its genuine indigenous culture.
